29 April 1959

Westinghouse Electric Corporation  
Baltimore, Md.

Subject: Disposition of Property  
Contract No. FL-3011

Gentlemen:

You are authorized to retain for your use the property listed in Enclosure (1) which was attached to your letter of 29 December 1958. Your offer of \$3,000 for this equipment is accepted. This amount will be deducted from the final payment still to be effected under this contract.

Attached are copies of Item 10 and 12 termination inventories and the residual listing consisting of 33 pages dated December 8, 1958. The items checked in green are to be shipped in the usual manner to

The items checked in red should be packaged for domestic shipment as follows:

- a. Each line item should be individually packaged and marked in accordance with MIL-P-116, with the IJC-4760 spare part item number.
- b. Individual packages should not exceed one cubic foot except in those cases where one individual item packaged would result in a larger package.
- c. Individual packages may be packed into larger shipping container for ease of handling and shipping.

Upon completion of packaging these items please contact the undersigned and arrangements will be made for a Government truck to pick up the material.

will issue the necessary paper work to transfer accountability of tools and test equipment from FL-3011 to Contract No. TM-3013. These items appear on documents attached to your letter dated 8 December 1958, further identified as follows:

Useable Engineering Test Equipment as indicated by asterisk on Enclosure (1) and complete listing of enclosures 2, 3, 4 and 7a.

You are authorized to use this tooling when required in connection with repair and overhaul of units belonging to Equipment Requirement Group 2.

The balance of the equipment is to be scrapped in accordance with your usual procedure.
